Men-

Join us for the Men's Retreat at NYC.

It is the earnest prayer that this will be a time of renewal and refreshing for all God's men who are able to attend.

**Colossians 3:4**

**Christ...Is Our Life!**

Christ is our life! How does that set with modern man? Many aspects of life tug at us elbowing in for that label "our life."

Paul writes to early Christians encouraging them with this thought. Join us as we dig into Colossians 3:1-17. Let's work together to flesh out how this would impact our life if we actually live it out.
